

Heritage Series

The Industry's Only Field Upgradeable Cash Drawers

The MMF Heritage Series is comprised of the industry standard 200, 240, and POS Platform II cash drawers. The interfaces of these rugged, innovative drawers can be upgraded in the field to USB, Serial or any Receipt Printer to meet the changing needs of your POS system. This unique field upgradeability improves cash drawer ROI and lowers the total cost of ownership.

Platform System II

The **Heritage Platform System II™** combines a precision-built MMF cash drawer with a rugged platform that securely holds and organizes POS peripherals in an integrated arrangement. The easy to assemble system features an adjustable bezel for a pole display, ample room for a keyboard, printer and display and a large rear compartment for cable and surge protector storage.

Cash Drawer Features

- Field upgradeable interface
- Stainless steel or painted front plate
- Unitized steel, reinforced 1 piece body
- Fixed steel rails with roller suspension system
- 2 Front Media Slots
- Two Function Plunger Lock.
- Interfaces with most popular receipt printers and offers optional Serial and USB interfaces
- High impact "Tuffy" 5 coin/5 bill currency tray with metal bill weights.
- Open/close detection
- Four color choices: Putty, Black, Cool White, Storm Gray

All Heritage drawers are compliant with or certified by:

WEPOS APPROVED

All Heritage drawers come with a 3 year warranty.

Interfaces

Heritage 200 & 240 Cash Drawers are the ideal solutions for both cash and non-cash transactions. For applications that collect checks, money orders, credit card sales receipts and coupons the **240** offers 2 oversized media slots, with 2 large capacity storage compartments that are separated and designed to assist in the sorting of media. Both drawers are available with printer and optional serial or USB interfaces.

Features

- Field upgradeable interface
- 3 Year Warranty
- Tested to 4 million + cycles
- MMF high quality construction and reliability
- Unitized steel, reinforced 1 piece body
- Fixed steel rails with roller suspension system

- Four color choices: Putty, Black, Cool White, Storm Gray

Optional Accessories

- Under the counter mounting brackets
- 6 coin and 5 bill international currency tray
- 3 position keylock
- Locking cash tray covers

Upgradeable Interfaces

As your POS system requirements change, your MMF cash drawer interface can change too. MMF Heritage and MediaPLUS drawers protect your cash drawer investment with interfaces that are interchangeable between Serial, USB and Printer.

The MMF drawer you put in service today will still be in service 2 or 3 system upgrades from now.
